

## Grants by Grant Cycle

Grants matching your search for **2016-17 Illegal Disp. Site & LF Cleanup Remediation Grants (SWC68 )**

### Contra Costa County

**Grantee:** City of Richmond

**Amount Awarded:** \$434,300.00

**Grantee Contact:** Mr. Adam Lenz

**CalRecycle Grant manager:** Mustafe Botan

**Project Summary:** With grant funds, the City of Richmond will implement new and additional illegal dumping measures. These measures are designed to Current illegal dumping clean-up and abatement efforts are funded at a deficit, including the use of one-time funds that will be exhausted next fiscal year.

The additional illegal dumping measures proposed will reduce the time and expense that the City spends cleaning up illegal dumping by preventing waste from being illegally dumped. Proposed measures will also identify and implement increases in the efficiency and effectiveness of current illegal dumping prevention, abatement, clean-up and enforcement efforts.

The intended outcome is a transformed illegal dumping program that will decrease the impacts that wide-spread illegal dumping has on public health and safety and the environment, while also providing a path to a more financially sustainable illegal dumping program for the City.

*Total Awarded for County:\$434,300.00*

### Los Angeles County

**Grantee:** City of Pomona

**Amount Awarded:** \$416,483.00

**Grantee Contact:** Julie Carver

**CalRecycle Grant manager:** Alan Zamboanga

**Project Summary:** The City of Pomona's unsheltered homeless population has shown a dramatic 70% increase in a recent two-year period, resulting in multiple homeless encampments citywide. The abandoned items from these encampments are often in open space areas designated as "High" and "Very High Severity Fire Danger" zones and include hazardous materials like hypodermic needles, feces, urine, etc. These conditions create a health and fire hazard. Pomona has had to delay other essential services to address these dangers. The City would use the funding to develop Pomona's Homeless Encampment Action Response Team (HEART) and partner with California Conservation Corps, an at risk youth employment program. HEART's goal would be to respectfully deal with homeless individuals and their personal property while removing abandoned items which create blight and hazards in the City. CalRecycle's funding would make a Pomona safer community to work and live.

*Total Awarded for County:\$416,483.00*

**Grant Count: 2**

**Grand Total for Selected Counties: \$850,783.00**
